MAYOR JERRY SANDERS MEDIA ADVISORY

Preliminary List of Homes Destroyed in Rancho Bernardo

Fire and Rescue Department Continues Damage Assessment

LIST COMPILED DURING VISUAL ASSESSMENT BY FIFTH DISTRICT COUNCIL STAFF

The following is a preliminary list of Rancho Bernardo homes destroyed by the Witch Fire. This list was compiled during a visual assessment of the Rancho Bernardo community conducted by staff from Councilmember Brian Maienschein's office.

As noted on the Councilman's own webpage, this list is "**not an official listing of all structures lost**," in Rancho Bernardo or in the other areas affected by recent fires in San Diego. This list will continue to be updated as more information becomes available. This list may not be a comprehensive list of all properties affected by the fires in Rancho Bernardo.

Damage Assessment Teams from the City's Fire and Rescue Department will continue to survey all areas affected by fires within City boundaries. Those teams will compile a comprehensive list of properties destroyed in the fires once the current fire emergency has ended.

NOTE: **This IS NOT a comprehensive list** of all properties destroyed by fire in Rancho Bernardo. Councilmember Maienschein's staff is currently evaluating the Eastview development and will soon be posting information about that neighborhood on the Councilmember's home page at the City's website – www.sandiego.gov.
